1 Company Information

Reg and Ruby is a family run company that was founded in West Sussex, United Kingdom in 2006.

We aim to provide affordable, high quality pet accessories with uniqueness in style.

Our design approach is to create products that combine both practicality, with a contemporary feel.

We aim to update our range with new and innovative products as often as possible to keep providing fresh and unique gifts and accessories for our pet friends.

We currently sell into a number of high street multiples where we offer bespoke collections to suit the customer demographic of specific retailers. We can also offer designs to sell under "own brand".

We also offer a collection of unique rawhide cards and gifts for the American Kennel Club brand.

2 "Greet Me – Eat Me" Edible Greetings Cards

What do you give a dog that has got everything?

The "Greet me - Eat me" card is a unique concept in edible greetings cards for dogs. The product is wonderfully crafted and is made from 100% rawhide. All colours used are generated from natural vegetable colourings. This means that the whole card can be eaten - once it has been shown off to all of your friends.

Each card comes with a paper note for a personal message and a pillow envelope to allow the card to be sent through the post or made into a treat package. The "Greet me - Eat me" card is both a greetings message and a loving gift! Our cards have been featured in programmes for both the BBC and Channel 4!

There are new designs being added to this range - so keep checking back to see them.
